## Let Sibiu surprise you

Any tourist guide of Sibiu will help you find out a lot of interesting things about the well-known landmarks and tourist attractions. Additionally, we have listed a few suggestions to give your experience a little extra charm.

- ❖ **Take a look at Sibiu from above:** there are two towers from which you have a splendid view over the entire city up to the Făgăraș Mountain crests: the Evangelical Church Tower and the Council Tower. Additionally, you can enjoy a drink or meal while watching the sunset in the panoramic restaurant of the 4-star hotel Golden Tulip Ana Tower (585 Fusion restaurant, located at the 11<sup>th</sup> floor on 2 Școala de Înot street).
- ❖ **Discover traditions, culture and folk art in the open-air Astra Museum:** with over 400 architectural and folk-art monuments, exhibited on nearly 100 hectares, Astra Museum is Europe's largest open-air ethnographic exhibition. It will surprise you to find out that the largest windmill collection in the world is here and not in Holland.

- ❖ **Explore the network of hidden passages and stairs** which connect the city's Upper Town and Lower Town: they are a distinct brand of Sibiu and add a mysterious touch to the city centre. The narrow streets open from place to place to small squares, where the sounds of the city fade away. Head towards Pasajul Scărilor or Turnul Scării Aurarilor. Near Casa cu Cariatide you can find another “hidden passage” which will take you to Nicolae Bălcescu street (the main walking and shopping street in the historical center). And these are just a few of them.
- ❖ Tired already?! **Enjoy a craft beer, a glass of wine, coffee, or a snack.** There are a lot of options especially in the Large and Small Square. To narrow them down, you might want to stop at **NOD Pub** (in the Small Square), **The Refresh** (in the Large Square, for a healthy energy boost; you can order only at the bar), **Cafe Wien** (Huet Square, for an authentic feel of a typical coffeehouse in Vienna). Looking for a place closer to the conference venue?! How about **Thurta Grill and Bar** or **Grădina**, to name a few of the many options.
- ❖ **Do you like premieres?!** Here are a few milestones in Sibiu history:
  - 1292 - the first hospital in Romania;
  - 1380 - the first documented school in Romania;
  - 1494 - the first pharmacy in Romania;
